The Khubaib Foundation had initiated the registration process in Afghanistan and UK, which has been successfully achieved.

Besides taking care of hundreds of orphans in its educational institutes countrywide and social work in Pakistan, Khubaib Foundation continued its services in Afghanistan by its projects for the relief of Afghan refugees. Projects like; supporting of various orphanages in Afghanistan, Ramadhan Sehr & Iftar, Qurban and relief activities are manifestation of its endeavors to work for the humanity in need at large.

- The year 2022 started with the same untoward challenges of pandemic and financial insecurities. Khubaib Taekwondo Academy kept on moving with slow pace in 2022. Due to financial constraints, KTA could not execute its annual activity calendar this year. Training span remained stuck for only 6 months in 2022 and classes remained shut for the rest of period. Due to uncertainty and grim economic situation the academy postponed belt promotion tests: annual black belt graduation ceremony and annual inter Khubaib Taekwondo Championship as well as all recreational activities as planned previously.
- Due to lack of funds, the academy could not manage to purchase basic mandatory equipment even uniform for the players. The academy had to shut down TKD activities at KCH. The academy lost human capital in 2022 as 40 % of our prepared sportsmen (from each belt) had left due to circumstances. Despite all the challenges, the academy kept progressing, with a slow pace.
- In February, 20 players of KTA participated in Islamabad inter-club Taekwondo Championship and won 3 Gold, 3 Silver and 5 Bronze medals.
- In November 2022, two players of KTA participated in Pakistan Open International Taekwondo Championship but failed to bring any medal to home, in the same month, nine players of KTA participated in Under-21 KPK Games and won 1 Gold and 5 Bronze medals.
