Khubaib Foundation Response

Oct 2023 - Oct 2024

In response to the severe humanitarian crisis in Gaza, Khubaib Foundation, in collaboration with partner NGOs, has initiated a comprehensive relief operation. Given the critical situation where basic necessities such as water, food, and electricity supply have been cut off, our joint efforts are focused on providing immediate assistance to those in need.

Khubaib Foundation, alongside its partner NGOs, has swiftly undertaken the distribution of essential relief supplies. This includes the dissemination of food packs to ensure that affected individuals and families have access to nutritious meals. Additionally, recognizing the acute shortage of water, our collaborative efforts encompass the distribution of clean water to address the pressing hydration needs of the population.

Understanding the urgency of the situation, Khubaib Foundation organized the distribution of cooked food, offering immediate sustenance to those facing the challenges of displacement and limited resources. Furthermore, a meat distribution initiative has been launched to provide protein-rich sustenance, contributing to the nutritional well-being of the affected communities.

Relief Consignments

Oct 2023 - Oct 2024

In a significant humanitarian endeavor, Khubaib Foundation Pakistan dispatched its inaugural consignment of essential relief supplies to Gaza. The provisions, including food grains, medicines, delivery kits, baby kits, hygiene kits, and more, were handed over by Chairman Nadeem Ahmed Khan to the National Disaster Management Authority (NDMA) multiple times. These supplies will be seamlessly integrated into aid shipments from Pakistan, bolstering our commitment to providing critical assistance to those in need in Gaza.

Virtual Support

Oct 2023 - Oct 2024

Khubaib Foundation, going beyond aid, has been actively raising awareness about the Palestine cause through multiple occasions and platforms. Recently, the organization demonstrated its solidarity with Palestine through two impactful events. In collaboration with Islamabad Run with Us, Khubaib Foundation organized a solidarity walk in F-9 Park, Islamabad, where Chairman Nadeem Ahmed Khan and Turkish delegates participated, demanding an end to the oppression of innocent Palestinians. Additionally, the Pakistan Palestine Forum conference was held at Khubaib Foundation's Islamic Research Center, bringing together representatives from various religious and political parties to discuss the on-ground situation in Gaza and strategize collective efforts for effective relief operations.

Humanitarian Aid

Oct 2023 - Oct 2024

Khubaib Foundation swiftly launched its humanitarian aid program for Gaza in response to the conflict, partnering with the National Disaster Management Authority (NDMA) and UN-affiliated organizations. The foundation's comprehensive aid packages, distributed to those affected, included food, blankets, tents, fresh vegetables, clean water, meat, cash assistance, baby food, milk, grocery items, hygiene kits, cooked food, and bread. This timely intervention provided vital support and sustenance to vulnerable populations, alleviating some of the humanitarian crisis's impact.

Our Partners

Oct 2023 - Oct 2024

How Khubaib Foundation working with Partners

Khubaib Foundation is actively addressing the humanitarian crisis in Gaza through a collaborative approach with our international partners. While passionately advocating for the urgent opening of borders and humanitarian corridors, we are strategically working alongside established partners who have a robust presence and operational offices in Gaza.

This cooperative effort ensures a more efficient and coordinated response to the pressing needs of the affected population. By leveraging the expertise and resources of our international partners, Khubaib Foundation aims to maximize the impact of our humanitarian initiatives, contributing to a comprehensive and timely relief effort in the region.
