# Highlights

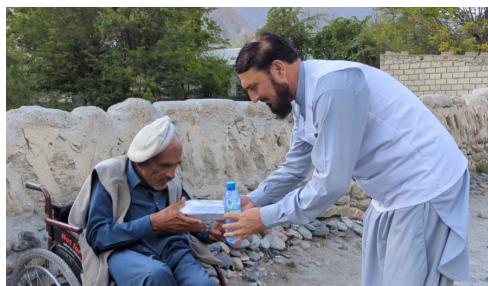

Pakistan is facing flash flood conditions in Punjab, Northern Khyber Pakhtunkhwa, Gilgit, and Sindh after the heavy monsoon since June 2025. According to statistics provided by the NDMA, more than 5.8 million people have been affected, and thousands of houses have been destroyed or damaged due to extreme flooding. In the government reports since June, around 922 deaths have been reported nationwide. This situation severely impacted livestock, crops, homes, and infrastructure, leaving communities in need of assistance.

# Khubaib's Relief Activities

Khubaib Foundation has initiated Flood Emergency Relief Pakistan for affected communities since June 2025. Emergency response teams are on the ground all across flood affected areas in Pakistan, and have been rescuing people's lives and livelihoods, providing relief assistance, including cooked food, dry ration packs, tarpaulin sheets, blankets, warm cloths, medical aid, and hygiene kits.
